# SAINT MARTIN DE PORRES

CLEVELAND'S CRISTO REY HIGH SCHOOL

**Support A Scholar** and have a **direct impact** on our students. They need supporters like you to bridge the \$6,000 gap that exists between what they earn through the Corporate Work Study Program, what their families can afford to pay, and the cost of a premier college-preparatory education. With your support, we can make a Saint Martin education accessible.

**Say Yes to Saint Martin, and invest today in Cleveland's future!**
