Second Semester Calendar Changes

Although more information will be shared in the coming weeks, we want to inform you that we are moving Spring Break to the week of March 15 while keeping a shorter Easter Break from April 1 to April 5. We have also scheduled five Remote Learning Fridays throughout the semester to give students a chance to reflect and catch up on their progress during the second semester. These changes reflect student engagement, attendance, and academic performance trends and are designed specifically to better keep students engaged throughout the duration of the second semester.
