CLEVELAND'S CRISTO REY HIGH SCHOOL

— EST. 2003 —

Student Handbook

2018-2019

The mission of Saint Martin de Porres High School is to transform young people into strong leaders that will excel in their future college and career pursuits. This requires more than simply showing up, simply making it through four years, and simply passing each course. This requires students who are committed to their future success and willing to put in the extra work to get there.

By choosing Saint Martin, you are not choosing the easiest path, but rather a challenging one with great opportunities. This path requires a student who is willing and committed to being here, faculty who are willing and committed to helping that student reach their goals, and parents and guardians who are willing and committed to supporting both. While the handbook lays out all of the school's expectations, they can be summarized by the pledge below.

I have chosen to be challenged. I have chosen to be academically excellent and I am willing to put in all of the work needed, both inside and outside of the classroom, to succeed.

I have chosen to be present. I have chosen a school where attendance is important and I am willing to show up each day for work and school mentally, emotionally, and physically ready to face the day ahead.

I have chosen to be a member of a community. I have chosen a school where how I treat others matters and I am willing to show kindness in my words and actions, both inside and outside of school, at home, and online.

I have chosen to have high standards. I have chosen to meet the expectations of Saint Martin de Porres High School and I am willing to honor its rules and policies, comply with its dress code, treat its buildings with care, and to be accountable for my effort and actions.

I have chosen to grow. I have chosen to partner with the faculty and staff of Saint Martin de Porres and I am willing to be open, to receive feedback, and to seek out help when I am unable to meet any of the school's expectations on my own.

ATTENDANCE POLICY

A student's presence is important for a quality education. Parents/guardians must be aware that all absences and tardiness, regardless of reason or excuse, have the potential to negatively affect both academic progress and continued enrollment at Saint Martin de Porres High School. Saint Martin complies with all state attendance reporting requirements for chartered nonpublic schools.

1. Attendance requirements for Course Credit

To receive credit for a course, students may not be absent (includes excused AND unexcused absences) for more than 10 class periods per semester. To receive course credit, any class periods missed in excess of 10 per semester must be made-up after school, within two weeks of being missed and before the end of the semester. Students who do not make up time by the end of the semester will automatically be enrolled in summer school for credit recovery. In cases of prolonged absence due to medical reasons (doctor's note required), a student will be placed on an Academic Plan.

2. Attendance requirements for sports and extracurricular activities

Students must be marked present for all class periods on the same day of an extra-curricular activity such as: sporting event, field trip, dance, etc. in order to participate.

3. Excessive Absence Notification

Families will receive an Excessive Absence Notification when a student misses:

- 38 or more hours in one school month (includes excused AND unexcused)
- 65 or more hours in one school year (includes excused AND unexcused)

4. Reporting Habitual Truancy

Saint Martin complies with all state requirements of chartered nonpublic schools in the notification of Habitual Truancy. Students are considered Habitually Truant after missing:

- 30 or more consecutive hours without a legitimate excuse
- 42 or more hours in one school month without a legitimate excuse
- 72 or more hours in one school year without a legitimate excuse

5. Absence Intervention Plans

If absences continue after students reach the above thresholds, the school will invite families in for a conference to create an Absence Intervention Plan to help improve student attendance.

ATTENDANCE PROCEDURES

1. Unforeseen Absences

- For an excused absence, the parent/guardian must contact the school at 216.881.1689 ext. 300 before 8:30 a.m. and briefly state the nature of the absence.
- Additionally, the student must present a written excuse from the parent/guardian to the attendance officer upon the student's return to school.
- Both a call and a written note are needed for an absence to be considered excused.

2. Foreseen Absence

- If a student is to be absent for three or more days, the parent/guardian must meet with the Dean of Students or his designate.
- For a foreseen absence, the parent/guardian must write a written excuse and
- submit it to the Dean of Students at least one week in advance in order to notify the teachers.
- The Dean of Students will then issue a note that the student must show to all her/his teachers.
- Note: A foreseen absence is not necessarily an excused absence. Family travel should be planned during school breaks.
- **Absence from finals will only be excused with a medical excuse or by special arrangement with the Principal.**

3. Tardy to School

- Students arriving tardy to school must report to the attendance officer.
- Students must have a signed admit slip from the attendance office in order to enter class.
- Note: Waking up late, missing the bus, car trouble, bad weather, childcare issues, etc., are not acceptable excuses for being late.

4. Early Release

- If a student is to be released early, the student must present a written excuse from a parent/guardian to the attendance officer the morning of the early release. The written excuse should have a phone number to verify the need for early release.
- If an unforeseen circumstance requires that a student leave school early, a phone call from a parent/guardian directly to the office is acceptable.

- There is no early release from work.
- For their own protection, **all students (even 18 year olds)** must be signed out of school by their parent/guardian.

5. **Scheduling for Medical Appointments**

Parents/guardians are requested to schedule medical and dental appointments during non-school and non-CWSP hours. Vacations, college visits and other such activities should be scheduled after reviewing the school calendar so as not to conflict with school attendance or final/semester exams.

6. **Extended Absence due to medical condition or special circumstance**

Extended absence due to illness, injury, or special circumstance will be treated on an individual basis, and students will be placed on an Academic Plan to makeup missed work. Parents/guardians must notify the school as soon as possible by speaking with the main office or a school counselor. Absences due to medical conditions will require certification by a physician's note to the Main Office.

7. **Reasons for Excused Absences**

Possible reasons for excused absence include:

- Illness (please submit documentation from doctor's office)
- Death of a relative (please submit copy of funeral program)
- Emergency at home verified by the Principal or her designate
- Absence approved by the Principal or her designate
- College visits (up to three per year)

8. **Holidays and CWSP**

Saint Martin de Porres High School does not support or encourage vacation outside of defined school breaks. Such absences may be considered unexcused. For example, if a family chooses to take a vacation that extends beyond the allotted Christmas break, the student will be subject to appropriate consequences as described in the attendance policy. This could lead to loss of credit. The student is responsible for any work missed. Often, schools have holidays which businesses do not share. Students may be required to attend work even if there are no classes scheduled for a particular day. Early school dismissals and half-days do not apply to students who work on those days.

Students are expected to complete a full day of work regardless of any special school day scheduling. Students should assume that they have

work every workday of the year unless they are notified otherwise. It is the student's responsibility to verify with the CWSP Office if they do not have to work on a particular school holiday.

On extremely rare occasions, a Sponsor may have a business holiday or special meeting day when a student's services are not required. In this event, the student should report to school on that day and a special work task will be assigned by the CWSP Office.

COLLEGE PREPARATION

Saint Martin de Porres High School has purchased Naviance Succeed as part of its commitment to offer a world-class college counseling program that prepares all students for success in college and career. As a member of the Cristo Rey Network, Saint Martin de Porres High School discloses aggregate college admissions for the purpose of benchmarking with other schools and to track the impact of Network university partnerships. This data also enables Cristo Rey Network schools to better advise students through the college search and application process. Personally identifiable information is only disclosed to the college counselors, counselors, school administration, and the Network's Director of Postsecondary Initiatives.

Saint Martin de Porres High School is committed to partnering with our families and students towards successful college completion. The decision to attend college is a life-changing one, and because of its importance, we promise to work diligently with students in achieving this goal.

Service hours may be specific and provided by the Dean of Students or his/her designee, or the student may be allowed to choose his/her own location and be required to obtain consent and bring back confirmation once complete.
- **Parent Conference:** The request to bring in a parent occurs when previous efforts have not been successful, or when the concerns warrant doing so. The goal of the parent conference is to discuss a student's progress at school and brainstorm ideas of how to rectify academic and/or behavior concerns in order for the student to remain enrolled.
- **Letter of Understanding/Disciplinary Probation:** This is a written agreement among the student, family and school addressing chronic, problematic behavior of the student in such areas as attendance, tardiness, excessive detentions, dress code, CWSP performance, etc. The agreement outlines the specific expectations for continued attendance at Saint Martin de Porres High School and is signed by the student, parent/guardian and school officials. One copy will be kept on file and one copy will be given to the family. The agreement is meant as a final warning. A student who violates the terms of her/his agreement may face immediate expulsion.
- **Social Suspension:** The act of a student being withheld from social privileges and activities at school. This can run short term (i.e. a one-day event like a field trip or dress down day), or long term such as a quarter or a semester. Social Suspension can be reviewed periodically and may be lifted at any time by the Dean of Students or his/her designee.
- **Suspension:** When the previous methods have been ineffective in changing a student's behavior, an offense has been committed that caused a situation which must be dealt with immediately, or the offense itself is serious enough, the student is liable for suspension. This suspension could be in the form of an out-of-school suspension, in-school suspension, or suspension from a particular class, classes, activity or sport. During this period, a student will not

be permitted to attend class or to participate in extracurricular activities. Students are required to make up assignments, quizzes or tests that were missed while suspended. The offense will be recorded in the student's permanent file.

- **Involuntary Withdrawal:** Involuntary withdrawal of a student from school is a serious matter and will only be used as a last resort or in the case of a serious incident of misconduct which jeopardizes the safety of the school community or compromises the aims of Saint Martin de Porres High School. Final decisions on involuntary withdrawal are made by the President. A student's parent/guardian may ask the Principal and/or CWSP Director for a Disciplinary Review Board Hearing to determine whether the student who is being recommended for involuntary withdrawal has received due process. The Board will include representatives from the teaching faculty, CWSP, Campus Ministry, and one Saint Martin de Porres High School staff member selected by the student's family. The Disciplinary Review Board Hearing occurs at the discretion of the Principal, CWSP Director and President. In some cases, the student's request for a Disciplinary Review Board Hearing may be denied. In addition, the school may deem an action by a student so severe that it would result in immediate involuntary withdrawal from school. If a student is involuntarily withdrawn, the offense will be recorded in the student's permanent record file. Students who withdraw or are withdrawn for disciplinary reasons may be asked not to return to the building for any reason without direct authorization from an administrator.

PLEASE NOTE:

- *At any point, if a student receives 3 or more detentions or office referrals in a day, a parent must pick up or give permission for the student to be released immediately from school. Additional consequences may apply as seen fit by the administrative staff.*
- *Major behavioral violations may result in suspension at any time at the discretion of the administrative team.*

SAINT MARTIN DE PORRES UNIFORM POLICY

OVERVIEW

The uniform policy ensures that every student will dress in a professional, modest, conservative and safe manner. Saint Martin de Porres High School's uniform policy corresponds to business attire and the image that we have determined is appropriate for young men and women representing the school community. When they go to work or school, students enter a professional work environment. Their dress should reflect a high standard of professionalism and self-respect.

Work environments are also adult environments. Parents/guardians must be sensitive to the fact that their daughters/sons might be assumed to be much older than their actual age. For both comfort and security, all students should dress modestly. Saint Martin de Porres High School wants to present a consistent image to the public. The uniform policy establishes a standard of dress that establishes a branded image that will be conveyed by all Saint Martin de Porres High School students regardless of the sponsoring company at which they work. Students are expected to follow the exact same uniform policy for work as they do for school, regardless of the dress code enforced at the work place. ***Students MUST have approval from the appropriate CWSP representative in order to be out of uniform at work.***

The safety of our students is a priority. A neat appearance and properly fitting clothes will help avoid potential mishaps and help prevent bodily injury. In addition, students walk to and from their bus stop and workplace. Proper footwear and the absence of sensory distractions such as headphones, etc., help ensure their safety.

- The school reserves the right to determine what constitutes appropriate dress. In all cases the school has the final say regarding what is allowable and permissible.
- The uniform style at Saint Martin de Porres High School is intended to allow each
- student to achieve her/his best, both in the academic world and professional world. Personal hygiene is very important to one's health and appearance; therefore, each student is expected to practice good hygiene.
- Students are expected to be in full uniform at all times while on school grounds,
- at work, to and from work, at special events, and during all field trips unless otherwise specified by the school.
- It has been observed that the more professionally a person dresses, the more
- professionally that person performs in her/his role and the more professionally others receive her/him. Expressing individuality should be done through hard work at school and at the workplace, and not through one's clothing.
- A student not dressed in full uniform and according to the rules may be provided
- with appropriate clothing from the school. A fee will be assessed and added to tuition cost if appropriate clothing has to be provided to student.

- Undergarments worn under clothing should not be visible.
- Arguing or continued verbal disputes about dress code infractions (including continued violation of the dress code) will not be tolerated and may result in being sent home or suspension.
- Interpretation and amendment of the Uniform Policy is at the discretion of the administration.

GUESTS FOR SCHOOL DANCES

In order to ensure the safety of each member and guest of the Saint Martin de Porres High School community, all students who wish to bring a guest to a school dance must accept the following guidelines. All guests must receive approval from the Dean of Students to attend the dance.

1. All students and guests must abide by the rules outlined in the handbook of Saint Martin de Porres High School.
2. Saint Martin de Porres High School students who bring a guest are responsible for the actions of the guest and will be held accountable if the guest violates any school rules.
3. Any student who wishes to bring a guest must submit a Guest Registration Form, complete and signed by all parties, and submit to the Dean of Students' mailbox by the last Wednesday before the dance.
4. Upon arrival at the dance, the guest must submit an official photo ID, such as a school ID or driver's license. The ID will be held by a school staff member until the guest leaves the dance.
5. All guests must pay \$5 to enter the dance.
6. All guests must be enrolled in high school and/or not older than 20 years old. This must be verified by an administrator from the high school attended by the guest and recorded on the Guest Registration form. Guests no longer in high school must be approved by the Dean of Students.

CORPORATE WORK STUDY PROGRAM EXPECTATIONS

The Saint Martin Corporate Work Study Program strives to instill pride and empower students for a lifetime of professional success.

PROGRAM OVERVIEW

All Saint Martin students participate in our Corporate Work Study Program (CWSP). Each partner company who employs a full student job team (four students) pays a fee of \$30,200 towards the cost of funding our students' education. Students are assigned to work at a partnering organization five full days each month without missing any instructional time.

The CWSP provides students with real world job experiences and allows students to earn a portion of the cost of their education. It is an integral part of their educational experience at Saint Martin de Porres High School. A positive attitude and a commitment to high standards of responsibility and behavior are required.

While the Corporate Work Study Program strives to create a positive environment for its students, the student must take personal responsibility to ensure individual success by projecting a positive attitude, behaving in a mature manner and acting like an adult while participating in the program. All students and parents/guardians are expected to read and follow the rules set forth in this Handbook as part of their agreement with the Saint Martin de Porres High School Corporate Work Study Program. Since Saint Martin de Porres High School is the legal employer of the students; parents/guardians should not contact Partners directly.

DAILY SCHEDULE—CWSP

- Students need to check in for work by 7:50am on their workday.
- On a student's work day, she/he will finish between 4:00 p.m. - 5:00 p.m. Her/his Saint Martin transportation may return to school as late as 5:30 p.m. (weather permitting).
- Students that have returned from work must be picked up by 5:45pm.

WEEKLY TEAM WORK SCHEDULE

Monday	Tuesday	Wednesday	Thursday	Friday
Rotating schedule of each workday: Tuesday - Friday	Juniors go to work at CWSP Partner Site	Freshmen go to work at CWSP Partner Site	Seniors go to work at CWSP Partner Site	Sophomores go to work at CWSP Partner Site

PROPER USE OF PARTNER RESOURCES

Students will be held to high standards of honesty and integrity. Students should use Partners' telephones, office equipment, office services (e.g. Internet access, etc.) only when necessary for work-related projects. Using them without a supervisor's approval is tantamount to stealing and will not be tolerated. Students may not use the Internet or office equipment at work for any reason unless it is directly related to the performance of their job.

Students are employees of the Corporate Work Study Program and not employees of the Partners. Students are not eligible for Partner benefits unless specifically told by their supervisor. Students should never presume that they may partake in these benefits.

ABSENCES FROM WORK

Students are expected to be at work every scheduled work date. Since each student works only five days per month, missing a day of work is a very serious event. Saint Martin de Porres High School and the student promise the Partner that they will fulfill their work responsibilities for the entire school year. Partners pay Saint Martin de Porres High School for this work and students automatically receive financial credit toward their education.

DEFINITION OF MISSED WORK TIME

Any hour and/or day not worked on the scheduled work day.

All of these hours/days must be made up according to the schedule below entitled **MAKE UP DAYS**.

- One (1) full day of missed work does not result in any action.
- Two (2) full days of missed time for any reason will result in the student signing a Warning Letter and a parent/guardian is called.
- Three (3) full days of missed work for any reason will result in a parent meeting and require the student and parent to sign a Letter of Understanding.
- Four (4) full days of missed work for any reason may result in the student being terminated from her/his job placement.
- Five (5) full days of missed work for any reason will result in a meeting between the student, CWSP representatives, and other staff members as necessary.
- Six (6) full days of missed work for any reason will result in a second Letter of Understanding, a parent meeting, a day of retraining with CWSP, and a reassignment of the student's job placement.
- Seven (7) full days of missed work for any reason will result in a call home about violating the Letter of Understanding.
- Eight (8) full days of missed work for any reason will result in the student being asked to leave Saint Martin de Porres High School.

*Hours and half days of missed work will accrue and are included in the student's total absences.

There are no excused absences for CWSP for any reason. Any and all time missed must be made up according to the schedule below entitled **MAKE UP DAYS**.

MAKE UP DAYS

- Students need to make up missed time at the first available opportunity. We also encourage students and families to plan ahead and select dates that work (e.g. don't choose a make-up day over Christmas vacation if you plan to travel out of town during that time.)
- The student should alert the CWSP Operations Coordinator as to when he or she will be making up the missed time.
- Sign-ups for make-up time start about three weeks before a break. Sign-up opportunities will be emailed to student email addresses to complete.
- After making up all missed time, students are responsible for making sure completed timesheets are turned into the CWSP Operations Coordinator.
- If a student does not report to work on their arranged makeup, this will result in social probation from a future event, i.e. dances, pep rallies, field day, etc.
- Students are responsible for arranging transportation to and from work for any day they must make up. Saint Martin may provide transportation on specific days to some companies. Please check with CWSP to determine if you're eligible.
- If a student arranges transportation with CWSP for a makeup day and does not report to school, a Tardy Missed Van charge will be applied their student account.
- If a Partner's schedule offers no opportunity for the student to make up an absence, the student should coordinate with the Operations Coordinator to make other arrangements for makeup time.
- Make-up time should happen in advance if a student knows they will be missing a work day in the future.
- Participation in student activities, athletics, and campus ministry are privileges. CWSP may hold a student back from participation due to multiple absences and owed make-up time.

INCOMPLETE MAKE-UP TIME

- In order to remain a student at Saint Martin de Porres High School all make-up time must be completed and make-up forms turned in by July 1.
- Failure to make-up your missed time and turn your make-up form in by July 1st will result in a charge of \$80 for each missed day and the student will not return to her/his Partner site the following school year.
- Paying \$80 for each missed day is not an option instead of making up the missed time.

GENERAL INFORMATION/PROCEDURES

To ensure a safe and effective administration of the CWSP, we have created a list of important information and procedures:

- Students must sign in on their assigned work day with a CWSP staff member. Failure to do so puts all of us at risk of having a missing student.
- If a student is serving an in-school suspension, she/he goes to work on her/his regularly scheduled work day.

- If a student is serving an out-of-school suspension, she/he does not go to work on her/his regularly scheduled work day and the day must be made up.
- Students who return to the building after their work day must depart the building by 5:45 p.m.

CWSP DRESS CODE POLICY

- Students should always arrive to school in uniform. If a company allows a student to wear something other than their Saint Martin uniform attire (see below), the student should change once he/she arrives to work. Examples of this are:
 - Scrubs
 - Tennis shoes
 - Steel toed boots
 - Company logo attire
 - Casual Friday attire
- Partners are instructed to give their student time to change if they are required to wear non-uniform clothing.
- A student not dressed in full uniform and according to the rules may be provided with appropriate clothing from the school. A fee will be assessed and added to tuition cost if appropriate clothing has to be provided to student.

The school reserves the right to determine what constitutes appropriate dress

PERFORMANCE EVALUATIONS

Students will be reviewed by their job assignment supervisor two times per year. Results of these reviews will be shared with both the parent and student in the end of semester report card. Students who receive a below average performance review will work with a CWSP Team Member to improve performance at work. To ensure that job placements are serving our students well, students will also be given the opportunity to reflect and evaluate their worksites each semester.

GRADES

Students will receive a Corporate Work Study grade based on work performance, attendance, completion of various assignments (evaluations, professional development classes, reflections), uniform, make-up time and compliance with CWSP standards and procedures. This grade will be a reflection of the student's work performance, learned work values, professional development classes (freshmen and sophomore classes only), and personal responsibility (attendance, uniform, behavior during check-in, etc). Grades will be available through PowerSchool and on report cards, but it will not factor into overall GPA.

INTERVENTIONS

Below are samples of interventions that may be used to improve performance at work. Parent communication and support are key to making the interventions successful:

- Parent Phone Call
- Student Meeting
- Parent Meeting
- Weekly Work Progress Report

- Job Coaching
- CWSP Letter of Understanding
- Termination from CWSP Placement

TERMINATION FROM CWSP PLACEMENT

A student can be terminated from her/his CWSP job placement by either the Partner or CWSP staff at any time. Usually termination is not a surprise because other interventions have been implemented. However, even a one-time offense can be grounds for immediate termination if the offense is particularly serious.

RETRAINING

- This process happens after a student is terminated from her/his job. The retraining requires a meeting with the student, a parent/guardian and a CWSP staff member to begin this process.
- The purpose of retraining is to give the student valuable skills for the workplace that were identified as potential weaknesses at the former job site.
- Students must successfully complete and adhere to the expectations set forth at the beginning of the retraining process to remain a student at Saint Martin de Porres High School. These expectations are tailored to each student in retraining and are stated in the Termination Letter of Understanding.
- Students in retraining are ineligible to participate in sports and performance activities.
- Failure to successfully complete retraining will result in a second termination.

DISMISSAL FROM SAINT MARTIN DE PORRES HIGH SCHOOL

Recommendation for dismissal can happen for these reasons:

- 2nd termination from CWSP in four years
- Major discipline infraction described in the Code of Conduct portion of this handbook.

ILLNESS AT WORK

- If a student becomes ill at work, the student should notify her/his work supervisor who will call the CWSP staff, after which CWSP will arrange for transportation of the student back to Saint Martin de Porres.
- The school will call the student's parent/guardian in order for the student to be picked up from school or the work site.
- Even if a parent/guardian is picking the student up at work, CWSP will speak with the parent/guardian to verify.
- If a parent/guardian or emergency contact cannot be reached, the student will remain in the nurse's office either until the end of the school day or until someone can be reached.
- A student who is extremely ill in the morning should not go to work.

Missed time will be made up in one hour increments.

There are no excused absences for missed time for any reason.

TRANSPORTATION AND CWSP

All Saint Martin de Porres High School rules and procedures apply at school, at work and on the way to and from both school and work, including while on vans.

Saint Martin spends approximately \$330,000 per year to transport our students to and from work. It is extremely important for us to know when students are not going to be on a van.

If a student will be absent on a work day, parents/guardians must call the CWSP Hotline at 216-346-7896 before 8am.

AM CHECK-IN

All students must check in with the designated CWSP representatives by 7:50AM on their workday. CWSP will be located in the cafeteria and at 7:40am, students may begin checking in for work. Once checked in, students must stay up in the balcony for prayer and announcements. They will then be dismissed to the appropriate bus or van.

If a student has an approved waiver to go straight to work, she/he or a parent need to call/text CWSP as soon as they arrive to work. The student must also let CWSP know if she/he is going to be late to work for any reason. CWSP will notify the supervisor and makeup time may be required.

PM CHECKOUT

No student will be required to check out with CWSP at the end of her/his workday. A CWSP representative will be accessible via the hotline number in case of emergency: 216-346-7896.

WAIVERS

We offer a CWSP Transportation Waiver for students who do not need transportation to and/or from work. Please note that students who submit this waiver are not permitted to ride the vans. Due to safety issues and van space, we cannot accommodate those students who will ride the van part time. Waiver forms will be available at the beginning of the year. Students who use this waiver in the mornings must communicate with CWSP each day of work.

- Call/text/email CWSP to ensure they have arrived safely to work:
 - CWSP Hotline at 216-346-7896
 - CWSP Transportation Email transportation@stmdphs.org

DOWNTOWN WAIVERS

We no longer have vans transporting students back to school from downtown offices. All students that work downtown will be given a waiver to take public or private transportation back to school or home from work. *Students may receive bus tickets provided by CWSP upon request.*

CWSP “TARDY MISSED VAN” POLICY

A student who is tardy to school on his/her work day which results in them missing his/her bus or van to work and needs to be transported by CWSP will be subject to the following:

- **One (1)** tardy missed van will result in a warning.
- **Two (2)** tardy missed vans will result in a \$10 fine to the student account.

- **Three (3)** tardy missed vans will result in another \$10 fine to the student account and a Letter of Understanding (LOU) between the student, parent, and CWSP.
- **Four (4)** tardy missed vans, and therefore violation of the above stated LOU will result in a recorded absence and will count towards the total number of work absences that school year. The student will still be required to report to work that day. There will also be another \$10 fine for transportation.

If a student expects to miss her/his Saint Martin transportation and she/he is able to arrange for her/his own transportation to work, a fine will not occur. The student, however, will be responsible to make up any missed work time past their normal start time.

EMPLOYMENT OVER SCHOOL BREAKS

Students may have the opportunity to work at the Partner job site over our school breaks for pay. This is not determined by CWSP or Saint Martin de Porres High School, but instead by the individual Partner. Students who get this opportunity will be paid at the minimum wage rate. In order for the student to be paid, she/he must do the following:

- Sign up to work over break. Sign-ups are before a break.
- Once approved by CWSP and the supervisor, timesheets will be provided for students.
- Fill out a timesheet every two weeks (specific dates on each timesheet).
- Both the student and the supervisor must sign the timesheet.
- Sheet must be sent/delivered to school by the date on the timesheet to be paid for the proper pay period.
- Student with outstanding make-up time are NOT permitted to work for pay until make-up time is completed.
- Students should call/text the CWSP Transportation Hotline (216-346-7896) to ensure the timesheet has been received.

Up to 50% of student pay will be held if there is any outstanding tuition or school material (calculator, books, technology, etc.) collection issue in the Business Office. Please contact the Business Office with questions or concerns.

TAXES AND EMPLOYABILITY

Students earn real income through the Corporate Work Study Program. In their contracts, students and parents/guardians agree to assign this income to Saint Martin de Porres High School to help offset the cost of their education.

Because of the tax responsibility created by the program, every student is required to complete an IRS Form W-4 and an INS Form I-9. Students must be at least 14 years old to participate in CWSP. Students under 18 years of age must complete a State of Ohio work permit form in addition to other employment forms. Students are required to abide by the work restrictions set forth on the work permit form. These restrictions may affect a student's ability to work at a job outside of CWSP.

STUDENT FAITH DEVELOPMENT THROUGH CAMPUS MINISTRY

Saint Martin de Porres is a Catholic high school that welcomes students of all religious traditions. Rooted in Jesus Christ and participating in Jesus Christ's mission of proclaiming the Good News to the world, the school places a high value on the ongoing faith development of its students. Faith is not an object to be obtained, but it is a continual journey toward closer union with God. To foster that growth, Campus Ministry offers a variety of faith experiences open to all students, which encourage each individual to live the school's motto of "Work, Study, Serve, Lead, Pray."

EXPECTATIONS/REQUIREMENTS

Faith development at the school is an integral and indispensable part of the Saint Martin de Porres experience. Just as a student matures socially, intellectually, and physically, her/his relationship with God should mature to include a strong personal faith and an active Christian response as an adult. Therefore, it is essential that all students participate in school liturgies, retreats, and Christian Service experiences. Graduation from Saint Martin de Porres High School is contingent upon fulfilling all academic, retreat, and Christian Service requirements.

LITURGIES AND PRAYER

Acknowledging the importance of an active faith life of prayer and reflection, the school community gathers in celebration at school Masses and Prayer Services. Students are encouraged to engage in the planning and execution of these events as they participate in various ministries: Praise Dance, Gospel Choir, Lectors, Gift Bearers, Altar Servers, etc. Recognizing the call to pray as a community of faith, all members of Saint Martin de Porres are expected to attend and participate at these events. Members of the Junior and Senior classes are also recognized and celebrated in special liturgies during the spring semester. Junior and Senior students are required/expected to attend. Family members are also encouraged to attend these liturgies.

RETREATS

Each year, Saint Martin de Porres High School students participate in a mandatory retreat through Campus Ministry. The purpose of the retreat is to provide students with the opportunity to reflect on their relationship with God and others by taking part in a variety of engaging activities that are both relaxing and interactional. Freshmen, Sophomore, and Junior students are required to participate in a daylong retreat. Senior students are required to participate in an overnight retreat. In addition, Campus Ministry offers other optional retreats, including, Men's/Women's and Kairos.

CHRISTIAN SERVICE

Saint Martin de Porres High School invites its students to use their God-given talents and gifts for the purpose of serving others. Jesus Christ is the model for this service. Members of Saint Martin de Porres, seeking to find Christ in every individual, participate in various service experiences both at school and in the wider community. While such a notion of self-gift is contrary to much of the contemporary

understanding of success, Saint Martin de Porres High School believes it allows the student to engage in a loving dialogue with the world upon graduation. Students are invited to engage in service immersion experiences as well as regular voluntary service in the local community.

SERVICE IMMERSION

Saint Martin de Porres High School provides the opportunity for students to participate in service immersion experiences. Whether in Cleveland, West Virginia, New Orleans, El Salvador or elsewhere, Saint Martin students concretize the value of care which permeates the curriculum by participating in longer and more intense periods of service to others. Through these experiences, they learn about various social issues. Together with fellow students and their teachers, the students partner with other social service and charitable organizations in their mission of care. The students learn solidarity with others by working with those in need. The immersion experience also includes reflection on the causes of need in particular segments of the population. This reflection leads the students to see the social structures and broader influences that impact the people in need. These immersions motivate students' participation in their community and allow them to emerge as leaders to transform the world. In addition, they become advocates for those whom they have met.

VOLUNTEER SERVICE

Service to others is an integral part of the school's philosophy of "Work, Study, Serve, Lead, Pray." As the Saint Martin de Porres student continues to develop, she/he will attain a deep appreciation for the value of voluntary service. To foster that appreciation, Saint Martin de Porres has developed a volunteer service program. Campus Ministry recruits student volunteers on a regular basis to serve with local partners, for example, St. Philip Neri Hot Meal Program, Joseph House Clothing Bank, Cuyahoga County Board of Developmental Disabilities, United Cerebral Palsy, St. Clair Superior Development Corporation, and others. In addition to Campus Ministry, other clubs and organizations in the school include a service component in their activities. In addition to school-sponsored service, students may also be personally engaged in service to the community.

While Saint Martin de Porres does not require its students to perform a minimum number of service hours, the Campus Ministry Department tracks the service hours of all students. As students participate in volunteer service opportunities, they accumulate Christian Service hours and then submit those hours to the Campus Ministry office. Campus Ministry recognizes the achievements of Saint Martin de Porres students in their efforts of Christian Service on a quarterly basis.

Please be aware that all volunteer service activities must be completed at a nonprofit organization (e.g., charities, community organizations, churches and hospitals) or through a school-sponsored volunteer service that has been Campus Ministry approved.

HARASSMENT

Because we believe that all individuals are made in the image and likeness of God, Saint Martin de Porres High School seeks to create and to foster a Catholic school community in which all individuals are treated with dignity, integrity and respect. In

light of this, every person has a human dignity, which Saint Martin de Porres High School is committed to enhance and protect. For these reasons, the Saint Martin de Porres High School community is one in which all faculty, students and staff are entitled to pursue their fullest spiritual, intellectual, physical, social and emotional potential. Harassment of any kind interferes with this development and therefore, will not be tolerated.

Harassment occurs when an individual is intimidated, teased, bullied, threatened or discriminated against because of race, religion, age, gender, physical appearance, disability, socioeconomic status or sexual orientation. Harassment creates an offensive, hostile and intimidating environment. It has the purpose or effect of unreasonably interfering with an individual's performance in school and otherwise adversely affects an individual's school experience.

Examples of harassing behavior include, but are not limited to, the following:

- Verbal Harassment: Derogatory or demeaning comments, jokes, threatening or intimidating words spoken to or about another person or group
- Physical Harassment: Unwanted physical contact, touch, impedance, blocking, assault, hazing or any intimidating interference with normal activity or movement
- Visual Harassment: Derogatory, demeaning or inflammatory drawings, written words (including on the Internet), cartoons, posters, gestures or photographs
- Sexual Harassment: Unwelcome insults and other verbal or physical conduct of a sexual nature
- Cyber Bullying: Derogatory or demeaning comments, jokes, threatening or intimidating words spoken to or about another person or group on the Internet or Social Media (e.g., KIK, Twitter, Snapchat, Instagram, Facebook, etc.) or cell phone texts.

Any student who believes that she/he has been the subject of sexual or any other form of harassment by anyone at Saint Martin de Porres High School or by any person who does business with Saint Martin de Porres High School, even a Corporate Sponsor, should bring the matter to the attention of a Saint Martin de Porres High School staff member, Human Resources staff at their CWSP placement, Principal, or the President of Saint Martin de Porres High School. Upon notification of negative treatment at work, the student will be removed from her/his Sponsor site and will not return until the matter is resolved. A prompt and thorough investigation of any alleged incident will be conducted and appropriate corrective action taken if warranted. Employees or students who violate this policy against sexual and other forms of harassment will be subject to corrective action up to and including termination or expulsion.

To the extent possible, complaints of harassment will be treated as confidential. Saint Martin de Porres High School will not retaliate in any way against any current, potential or former student who, in good faith, reports harassment or participates in the investigation of such a complaint or report. Any attempt at such retaliation will

not be tolerated and will itself be subject to appropriate corrective action up to and including termination or expulsion.

Our school will treat all allegations of harassment seriously and will review and investigate such allegations in a prompt, confidential and thorough manner. As members of the Saint Martin de Porres High School family, we trust that you will embrace and practice these principles both on our school campus and in your home.

HAZING

- Hazing is defined in Ohio Revised Code 2903.31 as doing any act or coercing another, including the victim, to do any act of initiation unto any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Permission, consent or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy.
- The statute does not require substantial risk of mental or physical harm. Therefore, any fear, embarrassment or pain caused by an act of hazing would be prohibited.
- Not only may the school discipline a student (or group of students) for hazing, they **MUST** take action to prevent such hazing, actively enforcing such policies against hazing. Hazing is one of the very few instances in which the Revised Code specifically creates civil liability for any administrator, employee, or faculty members "who knew and reasonably should have known of the hazing and who did not make reasonable attempts to prevent it." In addition, hazing is one area which provides for criminal sanctions against both the participants and any school employee who recklessly permit its occurrence.
- Hazing activities of any type are inconsistent with the educational process and shall be prohibited at all times. No administrator, faculty member, or other employee of the school shall encourage, permit, condone, or tolerate any hazing activities. No student, including leaders of student organization, shall plan, encourage, or engage in any hazing.
- Administrators, faculty members, and all other employees of the school shall be particularly alert to possible situations, circumstances or events which might include hazing. If hazing or planned hazing is discovered, involved students shall be informed by the discovering school employees of the prohibition contained in this policy and shall be required to end all hazing activities immediately. All hazing incidents shall be reported immediately to the Principal.
- Administrators, faculty members, students, and all other employees who fail to abide by this policy may be subject to disciplinary action, which may include disciplinary probations, suspension and possible dismissal from team activity and or school, and may be liable for civil and criminal penalties in accordance with Ohio Revised Code 2903.31.

THREATS

Saint Martin de Porres High School adheres to these policies regarding student threats:

- Any and all student threats to inflict any harm to self or others must be taken seriously immediately.
- Whoever hears the threat should report it immediately to the Principal or her designate.
- If appropriate, the police should be notified immediately.
- If the police are notified, the student suspected of making the threat should be kept in the Principal's office under supervision.
- The parent/guardian of the student who has made the threat shall be notified immediately.
- Any adult or the parent/guardian of any students who have been mentioned as potential victims or listed in writing as potential victims shall be notified immediately.
- The student should be suspended and not considered for readmission to school until a comprehensive mental health evaluation/risk assessment has been conducted by a mental health care professional. The evaluation shall comply with the provisions of Ohio Revised Code 2305.51.
- The Principal shall provide the mental health care professional with all relevant facts, including but not limited to aggressive behavior, details of the threat as known to the Principal, copies of any drawings or writings, disciplinary history of the student, behavioral concerns, and the names of any known victims or potential victims.
- The Principal shall receive a written comprehensive, detailed evaluation and report and a documented treatment plan or an "all clear" in accordance with ORC 2305.51 from the mental health care professional stating the basis (factual and risk factors and testing results) upon which she/he determined that the student is not/does not pose a danger to self or others. The report shall also address the concerns raised by the Principal to the mental health care professional. The evaluation and report shall be made available to the Principal who will share them with legal and/or mental health care consultants and administration assisting the Principal in her decision regarding the readmission of the student to school. The mental health care professional shall provide a follow-up assessment of the student within 30 days, if the student is readmitted to school, and shall provide the Principal with a copy of the follow-up assessment and/or evaluation and shall inform the Principal if therapy, counseling and/or treatment will be needed and/or provided.
- Counseling should be made available to children who are victims of the threatening behavior or who observed the threatening behavior if it is determined that such counseling is needed and parental permission is granted.
- Documentation from the mental health care professionals concerning any student is to be placed in a separate, confidential file with access only by the Principal and CWSP Director and should not be a part of the student's academic/disciplinary file. This documentation may be kept for a period of one year beyond the time when the child leaves the school as a result of expulsion, withdrawal by parent/guardian, graduation or non-readmission, before being destroyed.

HEALTH SERVICES FOR STUDENTS

Saint Martin de Porres High School has a part-time school nurse on site who oversees student health services. The primary role of the school nurse is to support student learning and to promote the health and safety of individual students and the school community.

Health services provided at St. Martin de Porres include: health screenings; assessment, planning, intervention, and evaluation of student health concerns; communicable disease prevention and management; administration of medication; and educational activities to promote health.

If a student becomes ill at school: the student should ask permission to see the nurse. If it is determined that the student should not remain at school a call will be made to the parent/guardian in order to release the student to their care. If a parent/guardian or emergency contact cannot be reached, the student will remain in the nurse's office either until the end of the day or until someone can be reached.

It is the responsibility of the parent/guardian to cooperate with the following policies and procedures:

- **EMERGENCY MEDICAL AUTHORIZATION (EMA)**
EMA forms must be completed for every student each year. Current addresses and phone numbers must be on file so that the school can contact parents/guardians in case of emergency. It is of utmost importance that the school be informed of students' health concerns. Please list any chronic medical conditions, life-threatening allergies, and/or medications the student is currently taking in the space provided on the form.
- **ILLNESS OR ACCIDENT DURING SCHOOL HOURS**
If an illness or accident requiring that the student be sent home occurs at school or work, the parent/guardian will be notified. If the parent/guardian cannot be reached, emergency contacts indicated on the EMA form will be contacted. The parent/guardian will be responsible for picking the student up from school or designating an authorized person to do so. Students may ride the bus or drive home with the permission of the parent/guardian provided the school nurse and/or other school personnel assess that the student is capable of doing so.
- **ILLNESS FOR WHICH TO KEEP A STUDENT HOME**
Keeping your child home in case of illness will: 1) allow your child to rest and regain health and 2) help prevent spreading germs to others in the school and work communities. It is important that we work together to keep each other healthy. Please contact the office to inform the school if your child will be absent due to illness. The following are symptoms for which a student should stay home from school or work:
 - Has a fever of 100 degrees Fahrenheit or more, or has had a fever in the past 24 hours
 - Has vomited within the past 24 hours
 - Has had diarrhea within the past 24 hours
 - Has a severe headache due to injury or fever

- Has a sore throat, difficulty swallowing
- Has severe cold symptoms
- Has a severe cough
- Has reddened, itchy eyes, especially if there is drainage or complaint of pain
- Has an undiagnosed skin rash that is itchy, spreading, or otherwise worsening
- Has live lice in hair
- Has scaly patches of baldness on scalp
- Has a flat, ring-like rash on skin

Please contact the student's physician/healthcare provider if symptoms worsen, last three (3) days or longer, or any time before that, as needed. If a student has a contagious disease, a note from her or his physician/health care provider may be required to return to school. The provider will need to indicate the date on which it is safe for the student to return to school.

- **IMMUNIZATION REQUIREMENTS**

Ohio Law requires each student to have a completed immunization record on file to remain in school. This should be submitted at the time of registration. If the record has not been received by the fifteenth day of school, the student may, by Ohio Law, be excluded from school until the record is submitted. An immunization waiver form must be on file for any student whose parent/guardian declines immunization for personal or religious reasons, or if the student cannot be immunized for medical reasons.

BIOHAZARD EXPOSURE CONTROL PLAN

The school has on file an exposure control plan to promote safe practices and minimize the incidence of illness and injury. The exposure control plan particularly concerns exposure to blood-borne pathogens such as Hepatitis B and C and HIV. Student compliance with Ohio immunization requirements is part of this plan. The faculty and staff receive an in-service annually from the school nurse to review the exposure control plan. Students should also be aware of the following universal precaution practices:

- All blood and body fluids are to be treated as potentially infectious.
- Gloves and cleaning equipment (safety glasses, dust-pan and broom, etc.) should be used to prevent contact with blood or other potentially infectious materials when clean-up is necessary. Students are not responsible for clean-up of potentially infectious materials in school.
- After any contact with potentially infectious material, hands and/or any exposed skin should be washed thoroughly with soap and water; exposed mucous membranes (mouth, eyes, etc.) should be flushed with water. Further medical evaluation will be advised as needed.
- The school will provide gloves, safety glasses, goggles, and face masks in areas where the risk of injury and exposure is increased (art room, science classrooms, cafeteria, etc.).

HEALTH SCREENINGS

The school nurse will offer vision, blood pressure, height/weight and Body Mass Index (BMI) screenings to 9th grade and other new students as needed for follow-up

to the physical exam completed in the summer before entering school. Referrals to primary physician/health care providers or eye specialists will be sent home with students if the screening results indicate the need for further medical evaluation. It is expected that the parent/guardian will schedule the appropriate appointment and return the form, completed by the health provider, to the school nurse.

MEDICATION POLICY AND PROCEDURES

Ohio law and the Diocese of Cleveland/Office of Catholic Education require each school to adopt a policy and develop procedures regarding the administration of drugs prescribed by authorized prescribers. The Diocese and Saint Martin de Porres High School recognize that the administration of medication during the school day may be necessary if failure to take such medication would jeopardize the health of the student or the student would not be able to attend school and participate in school activities. Those students who may require the administration of emergency non-oral medications will be assessed by the school nurse on an individual basis in order to meet the student's health needs and determine appropriate school placement as necessary.

MEDICATION ADMINISTRATION PROCEDURE

Before any medication may be administered to any pupil during school hours, two written requests shall be required: 1) a written request from a person with prescriptive authority in the state of Ohio and 2) a written request from the parent/guardian. The written request from the parent/guardian shall give permission for the administration of the specific medication and relieve the Diocese, Saint Martin de Porres High School, and their employees of any liability associated with the administration of such medication. Every effort should be made to have required medications given to the student before or after school hours. Only medicinal substances listed in the current year Physician's Desk Reference (PDR) shall be administered. In accordance with the policy of the Diocese, employees of Saint Martin de Porres should not administer medication unless absolutely necessary and shall not administer injections.

- Students needing inhalers for the treatment of asthma and/or Epi-pens for food, bee-sting, or other life-threatening allergies, shall be permitted to carry and/or administer their own medication at school if written permission has been received at school as outlined above. A separate request form for self-medication with inhalers should be used; an Allergy Action Plan form must be completed along with the written request for use of Epi-pens.
- All medications to be taken in school, with the exception of inhalers and Epi-pens, shall be administered in the school clinic.

- No student shall give medication to or accept medication from another student at school or in the workplace.

Medication on Field Trips

- Guidelines for the administration of medication during field trips will follow the procedures outlined above.
- If the school nurse accompanies students on a field trip, she/he will be responsible for administering medication.
- If the school nurse does not accompany students, the student's teacher, Principal, or other qualified faculty member designated by the Principal will be responsible for administering the medication.
- The faculty member leading the field trip will notify the school nurse two weeks in advance of upcoming field trips in order for the school nurse to coordinate the administration of medication for participating students.
- On the day of the field trip, the individual who routinely administers medication at school will provide the designated employee with the needed dose(s) in the extra labeled container dispensed from the pharmacy.

are forbidden by state law or school rules. A student who uses a locker that is the property of Saint Martin de Porres High School is presumed to have no expectations of privacy in that locker or the locker's content.

The student's use of the locker does not diminish the school ownership or control of the locker. Saint Martin de Porres High School retains the right to inspect the locker and its contents to insure that the locker is being used in accordance with its intended purpose, and to eliminate fire or other hazards, maintain sanitary conditions, attempt to locate lost or stolen materials such as weapons, illegal drugs or alcohol, or any other material forbidden by school rules.

PREGNANCY POLICY

Saint Martin supports Catholic teaching that sexuality becomes personal and truly human when it is integrated into the lifelong union of marriage. Therefore, outside the confines of marriage and in light of Catholic teaching, Saint Martin promotes abstinence as the morally acceptable approach to sexual expression. At the same time, however, Catholic tradition also embraces a compassionate attitude towards individuals who becomes pregnant or who are responsible for pregnancy outside of marriage. As a result, Saint Martin will extend every effort to assist and support the student in her/his educational development as well as in her/his personal and social adjustment.

Once the school learns that a student is pregnant (or responsible for a pregnancy), a school counselor will meet with the student.

- The student will be encouraged to inform her/his parents if not previously done.
- If the student refuses to tell her/his parents within a limited period of time as determined by the school (one week or so), the counselor will intervene and notify the parents, whereupon a meeting will be held among the student, parents, and counselor.
- Immediately upon notifying parents, the student must meet with the Principal and the CWSP Coordinator to notify her/him. The school counselor will notify the student's teachers.
- Pregnant students (or young men expecting to become fathers) are allowed to remain at Saint Martin as long as they are in good academic standing, are behaving responsibly, and continue to live with their parents or legal guardians.
- Students are not permitted to live with their significant other, nor are they encouraged to get married as a response to the pregnancy. Those who decide to marry or cohabitate will not be allowed to continue at Saint Martin.

Once a student has been identified as a mother/father-to-be, they will be encouraged to receive the following services as necessary:

- Prenatal care at a local health center or agency immediately.
- Counseling (both mother and father-to-be) from a counselor at Saint Martin, or meet with a qualified individual in an outside agency.
- Both mother and father-to-be will take prenatal/parenting/health education classes through a local agency or health center.
- The student is to be provided with competent pastoral counseling through Saint Martin or a local church.
- A note from the student's physician should indicate how long the student can stay in school before the birth, and when she can return.
- If a student becomes a parent for the second time while attending Saint Martin, she/he may be asked to withdraw from Saint Martin.

Implications of Pregnancy Policy for Staff/Faculty

- All concerned are to respect the confidentiality of the student even when the pregnancy becomes public knowledge. Faculty and staff are to avoid discussing the details with anyone, in or out of the school setting.
- In general, there should be no activities on the school premises relating to the pregnancy (such as a baby shower); nor will the student be permitted to bring the child to school during regular class hours.
- Neither the male nor the female student is to be restricted from participating in the full academic or extracurricular program as a penalty for the pregnancy. This applies to all aspects of these programs, such as student government, competing for school honors, etc.
- No other discriminating judgments are to be made concerning full participation in school programs other than those judged harmful by the advice of the physician. These decisions are to be made for reasons of health, or the exigencies of effective school management, and not on any moral consideration of the circumstances of pregnancy.

- Students who have had an abortion are not, for that reason alone, to be deprived of participation in any school program or activity, whether academic or extracurricular. The focus of the school is to be on maintaining the atmosphere of a supportive Christian community with good morale and proper discipline, and is not to be focused on passing judgment or imposing penalties on judgments of conscience.

SOLICITATIONS

Student solicitations (fundraisers, collections, etc.) of any kind are not permitted unless first approved by the Principal.

TECHNOLOGY: ACCEPTABLE AND UNACCEPTABLE USE

Saint Martin de Porres High School provides Internet access to students as a means to facilitate resource-sharing, skills acquisition, and communication. Information gathered from the Internet is viewed in the same manner as other reference material in the school; such resources enhance the learning environment.

School personnel provide guidance to the student in the use of the Internet and monitor usage to the best of their ability. Controlling all materials on a global network, however, is impossible, and an industrious user may discover inappropriate information or perform inappropriate actions in spite of adult supervision. We encourage parents/guardians to have a frank discussion with their children about Catholic Christian values and how those beliefs should guide student activities while using the Internet. Inappropriate use of the Internet is a serious matter. If a student receives an inappropriate message, faculty, staff member, or an appropriate CWSP job-site supervisor should be notified immediately.

Files stored on the Saint Martin de Porres High School network are not private. Any computer files and/or e-mail that originate or reside on Saint Martin de Porres High School computers/servers may be monitored at any time without prior notice to the student. Saint Martin de Porres High School is not responsible for any damages the student may suffer, including the loss of data. The school is not responsible for the accuracy or quality of any information obtained through any school Internet connection.

The parent/guardian is responsible for any damage caused by the student's inappropriate use of the Internet system. The failure of any user to follow the terms of this policy will result in the loss of privileges, disciplinary action, and/or appropriate legal action.

Acceptable Use

Access to Saint Martin de Porres High School's Internet service must be for the purpose of education, research, or CWSP job responsibilities and be consistent with the educational/work objectives of the school/CWSP sponsor. School/CWSP officials may monitor any use of the Internet.

Unacceptable Use

The user is responsible for her/his actions and activities involving the network. Some examples of unacceptable uses are:

- Using the network for any illegal activity, including violation of copyright laws or other contracts, or transmitting any material in violation of U.S. or State of Ohio regulations
- Unauthorized downloading of software
- Downloading copyrighted material for other than personal use
- Wastefully using resources, such as file space or paper
- Invading the privacy of individuals or using another user's account or password
- Posting material authored or created by another without her/his consent
- Accessing, submitting, posting, publishing, or displaying any defamatory, inaccurate, abusive, obscene, profane, sexually-oriented, threatening, racially offensive, harassing or illegal material
- Any form of plagiarism, i.e., claiming another person's work through the Internet as one's own
- Using the school's technology resources for financial gain, credit card fraud, electronic forgery, other illegal activity and political purposes using the Internet for unauthorized purchases
- Sending communications which contain confidential or proprietary information in violation of applicable school policies
- Using Internet access or one's email account without the authorization of a teacher, staff member or CWSP job coordinators.

All students are expected to comply with the acceptable use policy issued through the school. The policy is intended to apply to student use of any technology provided by the school or any technological access.

The Cristo Rey Network school officials will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- You have the right to request an amendment or change of your education records if you believe them to be inaccurate. The request should be in writing and should specify the part of the record you want changed. Notification of Designation of Directory Information

In fulfillment of the Cristo Rey Network school's obligations to parents and eligible students pursuant to the Family Educational Rights and Privacy Act ("FERPA" or "the Act"), notice is hereby given of the Cristo Rey Network school's FERPA policy and parents' and eligible students' rights under the Act.

FERPA is a Federal law that protects the privacy of student education records.

The law applies to all institutions that receive funds under an applicable program of the U.S. Department of Education. FERPA was designated to protect the privacy of educational records, to establish the rights of parents and eligible students to inspect and review their educational records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. Parents and eligible students also have the right to file a complaint concerning any alleged failure of a Cristo Rey Network school to comply with the Act. Complaints may be addressed to:

The Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW Washington, DC 20202-5901

Designation of Directory Information. Parents and eligible students are advised that notwithstanding the above, the Cristo Rey Network school has designated certain information contained in the education records of its students as "Directory Information" for purposes of FERPA. Directory Information may include, but is not limited to, information such as the student's name, addresses (including e-mail addresses), telephone number, date of birth, year of school, dates of attendance, participation in officially recognized activities and sports, weight and height of members of athletic teams, photographs (including identification pictures), videos depicting and/or concerning life at the Cristo Rey Network school, degrees and awards received, and previous educational institution(s) attended.

Parents' and Eligible Students' Right to Prevent Disclosure of Directory Information. Any parent or eligible student wishing to prevent disclosure of directory information must file a written notification to this effect with the proper school official. A parent or eligible student may initiate a hold on the release of directory information at any time. This may be done in writing to the Principal. If the parent or eligible student submits the request to the Principal, it becomes effective

on the day it is entered by the Principal. Parents and eligible students are advised that previously printed documents (or documents already prepared and/or sent for publication prior to the parent or eligible student initiated hold) may contain directory information as it was consented to before the request for limited disclosure. Once the parent or eligible student places a hold on the release of directory information, the restriction remains in effect permanently, unless rescinded by the parent or eligible student. For this reason, parents and eligible students are encouraged to review their demographic data periodically.
