## College Counseling Updates

**Attention Seniors!** FAFSA IS OPEN! Senior families should gather their 2019 1040 tax forms and W-2s. College Counselors are available to help with FAFSA completion.

## Student Life Updates

### Athletics/Activities 2nd Semester Reminder:

Students choosing to stay remote for the 3rd quarter will be opting out of in-person athletics and activities (including boys & girls basketball, hi-stepping, lionettes, drumline, etc). We believe in the evidence and data that **supports a return to school for both social and academic reasons and we believe that prioritizing in person activities should begin in the classroom to support making sure everyone is making progress towards college.** If it is safe to be on campus, **we want to make sure anyone on campus is here for school reasons first and any other reasons second, which is why we created**

**the policies we did.** We will continue to offer remote options for clubs and activities, as well as student events, because we know the importance of student activities to our school culture and for our students.

## Business Office Updates
