

# SAINT MARTIN DE PORRES

CLEVELAND'S CRISTO REY HIGH SCHOOL

Dear Students and Families,

We want to start off and say THANK YOU! We truly appreciate the patience and flexibility you have shown us as we develop plans for the 2020-21 school year. These times are difficult, but we know that we will get through them together!

In our last communication, we shared that Saint Martin de Porres High School will begin the year in a **fully remote/online learning capacity beginning on Monday, August 31**. New Student Leadership Institute will take place remotely August 25-27. Chromebook pick-up will occur on August 20-21. Details will be sent out today.

After listening to the feedback from teachers, staff, students, and families, our team has been hard at work creating an improved remote learning plan which will provide an optimal learning structure for our students. We are ready to share these detailed plans with you and ask that you **join us at one of THREE (3) Family Information Sessions** to learn more about the remote learning schedule, online learning expectations, and more. You can register for these virtual Zoom meetings by clicking the links below:
