BehaviorFlip for Families

Behavior Flip is a tool that is used for our restorative approach to discipline in which students, teachers, administrators, and families work together in partnership for the overall success of our students.

- You should have received an email dated January 7 from no-reply@behaviorflip.com to activate your account; if you have not done so already, please activate your account so we can partner with you in using this tool!
- Events entered into Behavior Flip represent a variety of commonplace school concerns ranging from dress code and mask reminders, cell phone reminders or refusal to turn-in, and disruption to class/classmates.
- Please be aware that for any event entered into Behavior Flip, your student's teachers and/or administrators will be addressing the concerns directly with your student.
- All of these behaviors would be best discussed between you and your student during non-school hours; we ask that students are NOT on their phones (or smart watches) during classes so they can receive the maximum benefit from their Saint Martin education while serving their peers in our community who are doing the same.

Please note: Due to the ongoing pandemic, students who receive an egregious number of mask reminders (3+ in one class period) will be asked to leave school for the day and/or stay home for a day.

After speaking with your student regarding any Behavior Flip records throughout the day or week, and if you feel it is important to speak directly with the stated adult, please feel free to communicate with that adult directly or reach out to a member of our administrative team (mprwitt@stmdphs.org or ldotson@stmdphs.org).

PRAY

O God... help us to
walk together, pray
together, sing
together, and live
together until that day
when all God's
children, Black,
White, Red, and
Yellow, will rejoice in
one common band of
humanity in the
kingdom of our Lord.
Amen.

Martin Luther King Jr.
