## [College Counseling Updates](#)

### **COMPLETE YOUR FAFSA NOW!**

All seniors must complete the 2024-2025 FAFSA application as it is a graduation/prom requirement and needed to receive financial aid for college. College counselors are available to assist with this application.

**We recommend students do not make their college commitment until they have reviewed their financial aid award letters, which will be available in the next few weeks because of the FAFSA delays. Many colleges have adjusted their decision deadlines because of this.**

**College Counselors are available to meet with families to review award letters and the college decision process.**
