## Morning & Afternoon Transportation

Many of our routes are currently full. If you would like to get on the waitlist, please contact Mary Sayre ([msayre@stmdphs.org](mailto:msayre@stmdphs.org)) or Erin Haislah ([ehaislah@stmdphs.org](mailto:ehaislah@stmdphs.org)). Our easiest and best way to communicate is through the REMIND APP. If you did not receive the invitation, please see the link below your route to sign up. We do our best to let you know if buses or vans are running late, but sometimes we do not know until you let us know the bus/van has not arrived. Do not hesitate to text so we can problem solve and make sure all of our students get to Saint Martin safely!

## School Nurse Update

**We are starting the school year without a school nurse** and will be without one for the first several weeks. We will have a school nurse this year (and will actually be able to offer expanded services) and are working with our partners to find a highly qualified candidate.

Please contact Mr. Khalil Brown ([kbrown@stmdphs.org](mailto:kbrown@stmdphs.org)), with any plans from doctors or specialists that need to be implemented within the school. Please contact Adam Trifiro ([atrifiro@stmdphs.org](mailto:atrifiro@stmdphs.org)) if your student needs to self-administer prescription medication during school hours

Without a nurse, we will have **limited capacity for students who are not feeling well** to be supported outside of class, please revisit/consider students' emergency contacts. If you are unable to pick up a student who is ill or injured personally, develop a plan for who will be able to transport them within 2 HOURS

We will **continue to offer Metro Health clinics** for medical services twice every month for general health care

## [Wonder Day 2023](#)

We will have our annual Saint Martin Wonder Day on Friday, September 1st after Mass of the Holy Spirit. Wonder Day is an afternoon exploring and experiencing the wide array of places, arts, sports, hobbies, challenges, and more that greater Cleveland has to offer. During this afternoon students are in a small group of students across grade level with the goals of trying something new, exploring a new place and bonding with fellow Lions. Early next week students will receive their Wonder Day placement and permission slip (if going off campus). This should be a great day of exploring, building community and having fun!! Questions, please reach out to Mary Sayre ([msayre@stmdphs.org](mailto:msayre@stmdphs.org)).

## [Sports Physials for Athletic Participation](#)

In order to make sure all of our student-athletes are healthy and able to participate fully in athletics, ALL STUDENT-ATHLETES playing a fall sport, or planning to play a winter or spring sport, MUST have an up to date OHSAA Pre-Participation Physical on file with the Athletics Office. Click the button below to retrieve the form.

If you have already had your annual physical for the year, but did not have the paperwork, you should be able to send your doctor's office the paperwork and they will fill it in.

FINALLY, if you need to schedule an appointment to get a physical, we will have regular MetroHealth clinic days on campus again this year. Please sign up for your student to participate.
