New Building Updates

Beginning April 9th, when we return from spring break, 11th and 12th grade students will have all of their classes in the new building on St. Clair.

Below are important announcements for ALL guardians regarding new procedures:

Afternoon Pick Up: If you are picking up your student after 4 pm, please pick them up on Norwood as all students who are not with teachers will wait to be picked up in the St. Clair building.

Main Office: The main office will be located in the new building with the main entrance on St. Clair Ave. The door on Lausche will not be an entryway to the school anymore so please come to the St. Clair entrance for main office assistance.

Drop Off: Please remember to use E 64th to access Norwood so that all traffic on Norwood flows north. This will prevent back-ups and keep students safe as they cross the street.

Thank you, and we appreciate your patience as we make the transition into this exciting new space! Please let us know if you have any questions or concerns.
